5. **PROCEDURE** - Each team will be sent 3 (three) words with the correct dictionary explanation, **two weeks before the Competition**. The three team members each give their definition, one true and two bluff's to try and fool the other team, explanations should last no longer than 1 minute. There is no rule that each member must give a correct definition.

One of the opposing team members (1 turn each) has to guess which is the correct explanation; members are allowed to confer, for a maximum of 4 minutes, however the chosen member has to make the final decision (within the 4 minutes).
2 points will be awarded for the correct answer.

There will be three rounds, therefore, allowing each team member the opportunity to outwit the opposition.

Teams will be judged on the creativity put into trying to “Bluff” the opposition. 10 points per word, thirty points per round, making a total of 90. Teams will also be judged on how they present themselves including their discussion of their opposing team’s definition of the word and how they work as a team on the day.

Time deductions are 1 mark for each half-minute (or part thereof) over the allotted time by any member of the team
