

BOATYARD OPERATIVE

If you have experience operating large plant, forklifts, tractors etc. like work with a view amongst a fun team, this is an ideal role for you!

Located on the River Dart near Dittisham we have a fantastic opportunity to join our yard team. The role has potential for an extended contract for the right person and will suit those with a passion for the outdoors or experience in boating.

Hours are allocated on a rota basis, will include some weekend and bank holiday work through the season but rarely working later than 6pm and based on a 40-hour week.

RESPONSIBILITIES INCLUDE:

- Assisting with vessel movements and providing other services around site.
- Assisting with maintenance of and repairs to plant.
- Pressure washing vessels.
- Safety checking of vessels.
- Conforming to site Health & Safety.
- Maintaining facilities in a clean and tidy condition.
- Keeping the estate in a tidy, presentable condition.
- Vessel deliveries/collections on the River Dart.
- Operation of lifting plant and equipment.
- Applicants must have a “can do” attitude and a flexible approach to the job.

BENEFICIAL ATTRIBUTES:

- A good general level of customer service.
- Due to the nature of the business applicants should be well presented, courteous and helpful.
- This is a physically demanding position, working outside in all weathers.
- Applicants must be able to swim.
- RYA Level II Boat Handling Certificate.
- A full driving license and own vehicle.

We will only be contacting those selected for interview so please include a cover letter with your CV to becky@blacknessmarine.co.uk or visit our social media for more about what we do @blackness_marine or @boatyard_life
