

## JOB OPPORTUNITY TRAINEE/AUCTIONEER

ON SITE & ONLINE SALES AND LIVESTOCK MARKETS  
SOUTH MOLTON

Following the continued growth of Stags' Agricultural Sales department, we are seeking an adaptable and hardworking individual to join the existing On Site & Online Sales and Livestock Markets team.

The position is a full time, varied and exciting role working across the whole of the South West. Our sales business includes on site sales, online timed auctions, three livestock markets, permanent auction site, valuations, private treaty sales and seasonal sales of standing crops, fodder and grass keep.

The successful candidate will be able to be hands on when required, feel comfortable around livestock and be able to deal directly with clients. Our office base is in South Molton and the position would suit both an aspiring auctioneer or an established machinery/livestock sales operative.

An agricultural background and a basic understanding of livestock and auctions are desirable with a full UK driving license being a necessity.

IT knowledge and good written and verbal communication skills are preferred.

Training will be given as well the opportunity to develop and add further qualifications in the future.

Please apply with an up-to-date CV and covering letter to Chris Clapham on
