

## **Disney On Ice Stewarding Opportunity – Westpoint Exeter**

Whether you're looking to earn a bit of extra money before Christmas or perhaps raising funds for your organisation – we might be able to help you!

Successful applicants will be required to politely and efficiently help guide customers to their seats and other venue facilities.

Liaise and take instructions from the floor managers and local box office team

Stewards will be instructed on their duties should any emergency situation arise.

Stewards will also be expected to help with light cleaning duties between performances in order to help with the quick turnaround required.

We would prefer applicants that can cover a large number of shifts but will consider applicants that can't cover them all.

Shift patterns are as follows (£11 per hr):

### **Thursday 11th November**

Start 16:45 End 20:45 - Shift Hours 4

### **Friday 12th November (7.5 hours max)**
