

## **Mare and Foal Sanctuary: Land Maintenance/General Maintenance Staff**

The Mare and Foal Sanctuary is the largest equine welfare charity in the South West peninsula dedicated to the rescue, rehabilitation and rehoming of horses and ponies who have suffered neglect, abuse and trauma.

As a member of the Maintenance team, you will assist in keeping our estates, buildings and landholdings maintained in order to provide an appropriate and safe environment for the charity to deliver its corporate objectives and day to day activities. You should be able to follow instructions and show a willingness to learn new skills.

- You will ideally have some trade-based experience e.g. basic plumbing, wet trades or other maintenance based skills possibly via an accredited course. We will also consider someone with strong transferable skills and training will be given for the right person.
- Have experience in fencing, tractor driving, or other land-based skills and possibly hold relevant certification. Alternatively, you may come from a background with relevant transferable skills in which case training will be provided.
- Have a full UK Driving Licence
