

## **Herd Manager**

An exciting opportunity has arisen for a **Herd Manager** to join our family run farm in **Exeter, Devon**.

### **Our farm**

We have 250 autumn calving cows on our mixed organic farm, that are milked twice a day through our 24/24 herringbone parlour.

### **The role**

This is a varied and dynamic role where you will work alongside the Herdperson in a small, friendly team.

After a period of induction, we'll be looking for you to take over the day-to-day management of the herd, supported by the farmer and Herdperson.

Your main duties will be to take day-to-day responsibility for the management of the herd and effectively manage grazing. You will be working closely with the Herdperson to ensure we maintain our high standards of cow health and wellbeing.

### **You**

You'll have experience of herd management, strong organisational skills, and the ability to use your own initiative. You'll have a genuine passion for dairy farming and be keen to develop your skills.

You'll be an excellent team player with a willingness to learn and progress.

You'll have experience of herd management, strong communication skills and a genuine passion for grazing based dairy farming.

We are looking for someone who is passionate about cows and maintaining our high standards of cow health and welfare.

### **The Benefits**

As the role evolves there is potential for the successful candidate to increase their responsibilities.

Rewards include a competitive salary.

### **Location**

We are in the beautiful town of Bradninch.

A house will be provided which is within walking distance of the unit, primary school, and local shops.
