## Job description

Business for AB Systems (UK) Ltd is growing and we are therefore looking to expand our team through further recruitment. We require additional Agricultural Machinery Operatives capable of working both independently and in a small team throughout the South of England. Full 'in-house' training will be given on use of specialist Ag-Bag machines. **Please note that this role does not involve conventional tractor driving, but assisting with the operation of our bespoke machinery.**

AB Systems (UK) Ltd is a small family run business and has been running Agricultural Bagging Machinery for over 30 years. Our specialist workshop premises are based near Okehampton in Devon. Please take time to **explore our website BEFORE APPLYING for this role – [www.agbag.co.uk](http://www.agbag.co.uk)** to discover further information as to the nature of our business and the type of machinery we operate.

Essential criteria:

- Applicants **MUST** have a full driving licence and **MUST** be willing to work away from home for long stretches at a time during our busy season (**both instances are an essential requirement**)
- Full time role
- Agricultural background and experience (essential requirement)

Applicants with a background of working with an agricultural contracting team or someone with tractor driver experience would be ideal. We work closely with contracting companies of foragers, tractors and trailers so any experience with this type of operation is beneficial. \* Hourly rate, based upon experience, to be discussed at interview

- Basic 40 hour week with extra hours as contracts require (can be up to 75-80 hours per week)
- 28 days annual leave including bank holidays (to be taken outside of busy season)
- **MUST** be based within a commutable distance of Okehampton, as a base (Please note: we are unable to offer living accommodation)
- **MUST** be willing to spend long periods away from home – essential requirement
- Discretionary daily overnight 'inconvenience' payment when contract dictates being away from home
- Self employed or PAYE basis considered
- During off season you will be based at the company Head Office site address assisting with servicing and repairs of machines and general yard maintenance but, during our busiest times (May – Nov), successful candidates will be required to travel to contract locations throughout the U.K.

THIS WILL BE A TEMP to PERM POSITION IN THE FIRST INSTANCE
