FARM ASSURANCE

Have the animals you are selling been on your farm assured holding (or a series of farm assured holdings) since birth?
 (Delete as appropriate) **Yes / No / Some of the Pigs entered**

Failure to affix FABBL sticker & complete the all information (as appropriate) will result in the animals being classed as non Farm Assured at the time of sale. It is the responsibility of the vendor to provide true & complete details. In the case of any farm assurance details provided by the vendor being incomplete/ incorrect, the purchaser of the lots may at their discretion lodge a claim, in which case the vendor may be liable.

- I declare that the Farm Assurance details I have included on this form at the time of signing are true and correct.

6 DAY STANDSTILL:-

If cattle, sheep, goats or pigs are moved onto a holding then **no** cattle, sheep, goats or pigs can be moved off the holding within six clear days of that movement (or 20 days for pigs). The standstill starts when the animals are brought onto the holding, and the six day count starts on the following day.

FOOD CHAIN INFORMATION DECLARATION

Pigs on the holding are not under movement restrictions for other animal's disease or public health reasons (excluding a 6-day standstill).

All Prime Pigs/Cull Sows & Boars sold are guaranteed to be free from withdrawal periods for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.

Any Store/Breeding Pigs sold that are still in withdrawal periods will be declared as such, with the following information:-

Product Used	Withdrawal Period	Date Treated	Withdrawal End Date

To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of meat derived from them.

No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.

I understand that my livestock sold for human consumption comply with the requirements of the Food Safety Act 1990.
