COMPETITION AIM

To encourage YFC members to work together as a team to demonstrate their Tug-of-War skills in a competition environment.

LEARNING OUTCOMES

Tug-of-War skills: strength, rhythm, pulling position and technique; teamwork, respect, discipline, enjoyment, sportsmanship as well as providing health and wellbeing benefits.

REMINDER: Please read these rules in conjunction with **NFYFC General Rules** and familiarise all competitors with the **Fine System in place for withdrawal from competitions.**

Further information can be found at <https://nfyfc.org.uk/competition-organisers-resources>

For insurance purposes all rounds of competition must be held using a Tug of War Association (ToWA) judge and under the authority of a Tug of War Association permit (available from the Hon. Gen. Sec. of the ToWA). Further guidance can be obtained from the official Tug of War Association Handbook or ToWA website.

These rules are for the NFYFC final but may be adapted for county and area rounds with agreement from the chief judge. Counties and areas may wish to pull in a straight knockout competition or pull according to the pre 2011 ToWA rules.

For Junior Competitions including GENSB at County Rallies Only (the 1st round of the Competition) competitors are eligible to wear TOW Boots, dealer boots or wellies, as long as they are safe and not studded. It felt unfair that junior members should have to pay for boots if they are just starting out in the competition. This rule has been agreed with ToWA. Regarding Steel Toe Caps these should not be worn. If teams are competing at Area Competitions, then proper TOW boots need to be worn. The above applies to Junior Competitions only.

- **Added to the rules 16th September 2026 2025**

Regarding team numbers in the Ladies and Men’s EW asked if a team of 7 were eligible to pull against a team of 8 in a Ladies and Men’s Competition and would the ToWA officiate a Competition. MB to clarify with the ToWA and check with the NFU Insurance to ensure that this would be in order. The ToWA had agreed in principle to this. This would only apply to County and Areas Competitions that a team of 7 would be allowed to pull and this would be under the ToWA National League Rules. For the NFYFC Finals a team of 8 would be required in both the Ladies and Men’s. Whether there was 7 or 8 in a team then the weight limit would stay the same i.e. **MENS (680KG) AND LADIES (560KG). No changes to the GENSB competition. For clarification only at County and Area level are teams are allowed to pull with 7 members in the ladies and men’s competitions, and this is in extreme circumstances. At the NFYFC finals 8 members will be required in both the ladies and men’s competition on the day.**

- **DRESS CODE - WEIGH IN**

The minimum dress for weigh-ins are as follows:

Males - pulling shorts

Females - pulling shorts and a non-transparent top

GENSB – shorts and t-shirt and for anyone else who is under the age of 18

- **Safeguarding and Position of Trust (POT) for Competitions** – for those in a position of trust who are doing training every week, e.g. choir, dancing, public speaking, tug of war should have a DBS check. For Tug of War, they should also have completed the NFYFC safeguarding training course and their details are to be recorded on the online entry forms. To clarify - that Trainers/coaches of all Tug of War teams need to have a DBS check plus take the NFYFC Safeguarding or an equivalent course.

7. SUBSTITUTION ON THE DAY OF THE COMPETITION

- 7.1. After a team has pulled the first end of the first match, the team is able to use a substitution. A substitute may replace any one puller for the remainder of the competition (Age restriction of team still applies). Substitution may be used for tactical reasons or due to injury.
- 7.2. Any potential substitutes must (unless otherwise instructed by competition organisers) have been signed in and had their membership card checked prior to pulling in the competition.
- 7.3. At the time of substitution; both, the puller to be replaced and the substitute, must report in full pulling outfit, (shirts, shorts, stockings and footwear) to the Chief Judge/Chief Steward who may designate an official to deal with the substitutes. A small (bathroom type) scale must be available at the pulling area, (in a suitable place, on solid surface), to determine the weight difference between the two pullers. The substitute puller must be of equal weight or less than the puller he/she replaces. Directly after the change, the Chief Judge or designated official shall cancel the stamp or marking of the replaced puller, and indicate a similar marking on the substitute, with an indelible marker. This change shall then be recorded.

N.B For GENSB teams; Once weighed in, the team weight allowance cannot be improved upon through substitution i.e. increasing the number of females on the team. Any weight bonus must be removed accordingly if the number of females has decreased below the original bonus threshold of the team.

Eg. Team = 5 males & 4 females = 600kg (560kg + 40kg bonus). A female puller of 70kg is substituted for a male. The male must weigh 60kg or less (Both in full pulling gear) because the resultant bonus has decreased.

- 2. Matches won (most matches won).**
- 3. Cautions (least number throughout pulling).**
- 4. Team weight (lowest team weight at weigh in).**
